

STUDENT CONSERVATION ASSOCIATION

sca.® Northwest Conservation Crews

Looking for adventure? Looking for a challenge?

The SCA is seeking local Washington residents, ages 15 to 19, to serve on various Northwest Summer Youth Crews. Crews are comprised of 6 to 10 youth members and led by 2 adult field leaders. Crews will work together on various conservation projects, cook out, share chores, and help sustain a healthy team. Members will also explore careers in land management and develop their leadership, team-building, and outdoor living skills.

NORTHWEST REGIONAL CREWS

- Various dates from July through August
- **All-expenses paid, volunteer service opportunity**
- Various 15, 30, or 35 day camping crews
